

## ALUMNI NOTES.

A. A. Barr, '06, and Martin L. Roper, '06, have resigned their positions as engineering apprentices with the Westinghouse Electric and Manufacturing company, to accept positions with the Allegheny Light, Heat and Power company, at Allegheny. They are at present dividing their time between the engineering offices and the laboratories or the above company.

R. G. Heyl, '06, who has been with the Westinghouse Electric and Manufacturing company, in the apprenticeship department during the past year, has been transferred to Baltimore where he is doing construction work for the same company.

S. P. Hertzler, '05, was married on July 3 to Miss Pearl Pickard, at Syracuse, N. Y. Mr. Hertzler is with the Pittsburg Valve, Foundry and Construction Company, with headquarters at 5165 Penn avenue, Pittsburg.

J. S. Romig, '07, is with the West Jersey and Seashore branch of the Pennsylvania railroad. On this line, which extends from Camden to Atlantic City, electricity was installed as motive power about a year ago.

Hon. Cyrus Gordon, '66, ex-judge of Clearfield county, with his wife, paid a visit last week to their two sons who are members of the sub-freshman class.

J. E. Root, '07, lately employed by the Pennsylvania railroad at Logansport, Indiana, is now with the Southern Pacific railway at Tucson, Arizona.

P. P. Reece, '07, writes from Hartshorn, Indian Territory, where he holds a responsible position with the Rock Island Coal company.

E. W. Nick, '07, is in Erie, where he has an excellent position with the Erie division of the Buffalo and Erie Traction company.
