A Great Victory.

Once more has Penn State shown her supremacy over Cornell by defeating them in one of the hardest fought games of football ever seen on Percy Field, last Saturday by the score of 8 to 6. "Larry" Vorhis was the star of the game, for this cool headed youngster saved the day for the White and Blue by making two beautiful field goals from the 20 and 40 yard lines, respectively. Every man on the State team was in fine form and displayed great ability both in offense and defense. Much more could be said in regard to this splendid victory but the fact that Cornell was defeated by State will ever be a pleasant memory in the hearts of our student body.

The game, according to the Ithaca News, was played as follows:

At the whistle, Walder kicked off to Zink on the 5 yard line who ran back 5 yards. At the first line-up McCleary punted 40 to Gardner who got back 7. Earle gained but 7 yards on two plays and Walder booted the ball over the line. McCleary at once kicked out from the 25 yard line to Earle who was downed at Cornell's 50 yard line. McCallie made 30 on a forward pass and 5 more around end. Walder made 8 and then 2 but the Ithacans were penalized 15 yards on a forward pass. State then got the ball on an attempted forward pass but failed to gain on the first play. McCleary punted to Earle on the 50 yard line. The Ithacans carried the ball to State's 3 yard line and as Walder went over the line he fumbled, our boys recovering the ball. McCleary kicked to the center of the field. The Ithacans carried the ball to

A Gift From 1910.

The clock for the Carnegie Library donated by the class of 1910 has arrived, and is being put in place this week. There has long been a great need for a library clock. The sophomore class during their freshman year appreciated this fact, and appointed a committee consisting of W. R. Lams, L. M. Fisher, and N. K. Gallinger to purchase a suitable clock, using the money from the surplus of their damage fund.

The committee selected the wall or gallery clock manufactured by The Prentiss Clock Improvement company, of New York. The clock has a 60 day movement and a calendar attachment giving the month, the date, and the day of the week. It is fully guaranteed by this long established firm to be a reliable and accurate time-keeper. A silver plate appropriately engraved will be placed upon the clock, making the total cost of the gift about sixty dollars.

The generosity of the class of 1910 will be appreciated by the entire student body, both now and in the future. This is, however, but the beginning of benefactions which this class has in mind to accomplish during its course. The college may thus confidently expect to see 1910 a worthy rival in college spirit of the classes which have done so much for our college in past years.

J. V. McNary, '05, who for some time has been with the American Bridge company, was married on Wednesday, Oct. 16, to Miss Katherine L. Hays, of Burgettstown, Pa. His brother, S. J. McNary, '10, attended the wedding.

Alumni Smoker.

The State College Alumni of Central Pennsylvania will hold a smoker in Harrisburg, on Wednesday evening, Oct. 30th. A great deal of interest has been aroused and every indication points to a very successful event. The success of the venture means much to the welfare of this prosperous branch of the Alumni Association.

The smoker will be held at the rooms of the Engineers' Club, Second and Walnut streets. About twenty State men live in Harrisburg and vicinity, all of whom are urged to be present. The invitations are signed by Simon F. Miller, '03, president, and S. K. Varnes, '06, secretary.

Scholarship Appointments.

The following awards of scholarships have been announced for the present college year:

The John W. White Sophomore Scholarship of \$100, to J. E. Platt.

The Louise Carnegie Scholarships of \$100 each, to H. H. McCready, G. F. Speer, R. B. Fehr and L. M. Fisher.

The Trustees' Freshman Scholarships of \$85 each, to J. L. Dartt, A. B. Maine, R. E. Thomas and A. Wasser.

The usual cider was served to the sophomores by the "preps" on Saturday evening. After the cider had been disposed of the sub-freshmen had a general good time, ending with practice in giving the college songs and yells.

H. M. German, '07, is located at Atpontly, Tenn., where he is assistant superintendent of the Atpontly Coal company.
