**The Freshman-Sophomore Game.**

The sophomores defeated the freshmen in the annual class football game on Beaver Field last Saturday by the score of 6 to 0. As the field was very slippery nothing but straight football was used, yet the game proved none the less interesting to the spectators. Punts were frequently exchanged and fumbling was very much in evidence, in the latter of which the sophomores seemed to be superior in recovering the ball. Both teams fought stubbornly although honors were slightly in favor of the second year men. The freshmen claim that their rivals were lucky to win while the sophomores rest with the idea that blocking kicks and recovering fumbles are an important part of the game.

The single score of the game occurred in the first half when Vought blocked a kick near the freshman goal. As the ball bounded back and was crossing the line Maxwell seized it and scored a touchdown for 1910. McCleary kicked out and Vorhis made the goal. The freshmen, however, were not always on the defensive as they succeeded three times in getting near enough to try for a field goal.

The entire sophomore team played well but the good work of McCleary, Hirshman, Vought, and Johnson was especially noticeable. For 1911 Coulson did wonderful work at half and Hipple distinguished himself at end. The line-up:

1910		1911	
Maxwell	ls	Hipple	
Vought, (Capt),	Ogilvie, lt	E te,	Riddle
Montgomery	lg	Hubbard,	McCannell
Johnson	c		Gray
Smith	rg		McClelian
Sloan	rt		Martin
Walker	re	Workman,	Brown, Spanogle
Herman	qb	Ludwig,	Nelson
Vorb	lh		Coulson
McCleary	rh		Barnett
Hirshman	fb		Mosser

Touchdown - Maxwell. Goal from Touchdown - Vorhis. Referee - Higley. Umpire - McIlveen. Field Judge - Jeffries. Linesmen - Wright and Postlethwaite. Halves - 25 and 20 Minutes.

Robert V. Rex, '99, is superintendent of the Continental No. 2 plant of 325 ovens near Uniontown, Pa.

**Freshman Statistics.**

Assistant Physical Director Jeffery has just completed the examination of the freshman class. Among the most important averages are:

Age, 19 years, 8 months; height, 67.6 inches; weight, 138 4 pounds.

In the strength tests, the most important averages are:

Chest and upper arms, 114.2 pounds; back, 296.3 pounds; legs, 535.3 pounds; right forearm, 100 pounds; left forearm, 90 pounds; push up, 6 times; pull up, 6 times.

Forty-five per cent. of the class used tobacco at the time of the examination.

It is interesting to note that 1911 is 3 months older, six tenths of an inch taller, and 4.7 pounds heavier by these averages, than 1910 was at the time of their examination last fall; and also, that the percentage of tobacco users is three per cent. greater than that of 1910.

**The Debating Team.**

The debating team is in good shape for their encounter with Dickinson tomorrow evening, and hope to win a decisive victory.

The selection of judges for this debate has been a very difficult proposition, owing to its popular interest among the eligible men. It is very hard to find an entirely impartial man who is acceptable to both sides. At present, as this article goes to press, two judges have been selected. They are Prof. Llewellyn Phillips, of Bucknell, and Robert A. Zentnyer, of Tyrone. The third man will be chosen within a day or two.

A. D. Carrier, '99, who has been in the employ of the West Virginia Pulp and Paper company, at Covington, Va., has been promoted to the position of manager of the pulp department of the same company at Mechanicsville, N. Y.

F. M. Torrence, '05, is a visitor at the college this week.
