mountain of strength to our varsity by his cool, steady, and nervy playing, a man whose quiet but ever present influence has always worked for the betterment of his companions.

Right end "Junior" Campbell is one of the most consistent and unassuming football players that any college has turned out. Suffering from all kinds of physical reverses, "Junior" has always responded to the call of the coaches and worked in that cherry manner characteristic of a successful gridiron warrior.

In Zink we find another willing worker who for three years labored faithfully in the backfield before receiving varsity recognition, performing his tasks in the orderly style peculiar to himself.

"Jack" Hand has battled steadily for four years to win a place on the varsity. "Jack" has offered his services as only a man can who has his college at heart, to help develop winning teams.

Manager Wright deserves the credit of successfully arranging and executing one of the hardest schedules that any State team has ever had. It is here that the shrewd business ability in obtaining games and providing for the financial welfare of the team is required and "Norm" has fulfilled his duties.

Of the new men who are to form the nucleus of next year's team special mention must be made of the excellent work of McCleary, Cyphers, Vorhis, Hirshman, Welsh, and Smith. Anyone who has followed the playing of these six men during the season can have nothing but the brightest hopes for a winning team in 1908.

Captain Harry M. Burns, '08, familiarly known as "Bobby" Burns, entered State in the fall of 1904. He was born at West Chester, Pa., on April 26, 1884, and obtained his preparatory education at the West Chester High School and at Bellefonte Academy.

"Bobby's" football career began in his freshman year immediately after he had entered college. In a short time he imbibed the spirit which is characteristic of all State men, especially her athletic men. He worked diligently on the football squad during his first two years and was rewarded in his junior year by a varsity position at left end. The football season of 1906 witnessed the playing of Burns as that of one of the greatest ends in the country. Attempts by opposing teams to run plays around his end were always broken up in a spectacular manner. At the close of the season "Bobby" justly received the honor of being elected captain for the 1907 season.

During the season just passed, he proved to be a capable leader, doing steady, consistent work in his usual place at left end. His departure this year will be regretted by all State men.

Senior Electrical Reception.

Prof. and Mrs. Jackson, who are moving into the residence recently vacated by Prof. L. E. Reber, entertained the Senior Electricals last Wednesday evening. The first part of the evening was spent in playing cards, and after a light luncheon was served the cigars were passed around and the remainder of the evening was devoted to singing college songs and in telling of incidents of early college life.

A reception will be given by the Greater Pittsburg Club on Jan. 3 at the Conservatory of Music on Dithridge Street. State students are urged to be present.

All persons or companies having bills of any kind or amount against the Pennsylvania State College Athletic Association in any of its branches, will please send itemized statement of same to M. S.
