Photographic Headquarters

We are offering some great bargains in cameras, new and second hand. If you are interested, it will be money in your pocket to get in touch with headquarter prices. We handle such standard makes of cameras as the Century, Rochester Optical, Eastman Kodak, Folmer & Schwing, Blair, etc. If you want a plate camera we can demonstrate by comparison that the Century Grand has more good points than any camera on the market today. If you wish a film camera, an Eastman Kodak is the article. The Premo camera uses either the film pack or plates and holds a decided advantage in that respect. We handle Eastman films and supplies of all kinds, and everybody knows that all of their goods are the best made.

We are also thoroughly equipped for copying, enlarging, interior and outside work. If you want a family group, your residence, the baby or live stock taken, at your home, we make a specialty of that kind of work. In short, we can give you the latest and best in all things photographic, either at the studio or in your home. In other words, supply all your needs photographic.

We solicit your patronage and guarantee you full value for your money.
