

Battle Hymn of the Fresh.

Tune:— Work for The Night is Coming.

Work for the exams are coming,
 Work or they'll flunk you out.
 Work for the exam in English,
 Work for Icabod's spout.
 Work your mathematics,
 Work or you will get stung.
 Work for Hep Hay's Tactics,
 Work till the bell has rung.
 Work for the exams are coming,
 Work or they'll flunk you out.
 Work for your old Dutch Reader
 Work your German throughout.
 Work for old Frenchy's quizzes
 Work till your head grows stout.
 Work till your thick brain sizzes,
 Work till the lights are out.

A Mark of Respect.

At the regular meeting of the General Faculty held January 17 the following resolutions relative to the death of Professor Butz were adopted:

"The Faculty of the Pennsylvania State College in regular meeting convened wish to put upon record their sorrow and deep sense of personal loss in the death of their associate, Professor George C. Butz, whose character and virtues were so transparent that none knew him but to love him, nor named him but to praise.

"They further wish that a copy of this minute be sent to his family, and to express the hope that his record of a devoted and unblemished life may serve to lessen their sorrow and assuage their pain "

A library has been founded at the University of Pennsylvania which is to contain all the books written by graduates. Already several thousand volumes have been collected, and the library is only partially completed.

Yale has received a gift of \$50,000 from Frederick C. Weynhauser, of St. Louis, to be applied to the support of a chair of applied forestry and practical lumbering in the Yale forestry school.
