

News From the Library.

The Library recently received from an "unnamed donor" in the Eastern part of the State \$60.00 for the purchase of specific books to be inscribed "In Loving Memory of Professor George C. Butz."

From S. J. Shanbecker, of Lansdown, Pa., comes a file of The Pennsylvania German, a distinct and welcome addition to our Pennsylvania collection.

As a matter of convenience, the newspaper racks in the Library have been plainly marked. If students using the papers will kindly return them to their proper places, it will facilitate finding just what is wanted. A complete list of the city, county, and town papers on file will be posted shortly. A number of interesting additions have been secured by gift this year.

The fact that at the University of Nevada, women of the first and second classes engaged in a rush still further shows the strenuousness of the West.
