

Sophomore Basketball League.

The sophomore league closed its season Saturday night with the defeat of the electricals by the civils, and the forfeiture of the chemists to the mechanicals.

The league has developed a number of good players who will now turn out for class team practice and help develop a winning team.

As was foreseen, when the miners defeated the mechanicals and farmers, they won the championship of the league. They played good consistent ball and won on merit.

There is still one postponed game to be played, that between the mechanicals and civils. It is to decide the tie for third place in the league. As practice by the class teams will be in order every night in the week, the date is doubtful.

Standing of the teams.
