

The Entertainment Course.

Now that the Association Course is at an end, and has proved a financial success, the management would like suggestions from the patrons of the course in regard to the entertainments for next year. Numerous requests have been made for the repetition of some of the more attractive entertainments, and for this reason a list is given below of the five numbers that have given the best satisfaction in the past three seasons. If any of the patrons of the courses have any preference or preferences in this list, the management will be glad to be notified of such. This list follows: Mr. E. Livingston Barbour, who gave "David Harum" on Feb. 2, '06; the Temple Quartet, concert on Nov. 3, '06; the Dunbars, quartet and bell ringers, Nov. 30, '06; Mr. Leland Powers, who read "David Garrick" on Feb. 23, '07; Victor's Band, the last number of this year's course. We would add the name of Mr. F. Hopkinson Smith, but that is useless until there are better traveling accommodations here. Any suggestions in regard to the course will be welcomed.

For the management,
F. E. Wilber.

1910 "Prep" Banquet.

The 1910 "Preps" now in college gathered at the Nittany Inn last Friday night for a banquet and reunion. Fourteen members were present to partake of the "feed" and talk over the reminiscences of their first year at State. The time was very much enjoyed by all and served to keep up the good feeling existing among them. L. T. Stephens acted as toastmaster and toasts were responded to as follows: "Our Coeds," Joe Conlen; "Our Profs," Paul Lyons; and "1910 Preps," Geo. Ogilvie. Impromptu spouts were made by all present and everybody left with happy thoughts of their sub-freshmen days.
