### COLLEGE NOTES.

Conferences were held here on Friday and Saturday last between sub-committees representing the athletic authorities of Buckneil and State in regard to the athletic relations of these institutions. The results of the conference will be ratified by both Faculty Athletic Committees before being made public.

At the last meeting of the Electrical Engineering Society the following officers were elected for the spring term: president, D. R. Simpson; vice president, M. J. Henderson, secretary, C. D. Preston; treasurer, C. R. Stahl; marshal, S. H. Gould.

H. A. Pearce, ex-'09, visited the college this week. He expects to return next year and complete his work with the class of 1910.

A new professional fraternity among the agricultural and forestry students was organized last Monday evening.

A large part of the copy for the new engineering publication is being sent to the printers this week, and the remainder will follow soon. The book is expected to appear within a few weeks.

After Tuesday morning's chapel service, the students, by an almost unanimous vote, approved the plan of securing a college physician.

A women suffrage club has been organized at Minnesota. Men as well as women are to be admitted to membership.

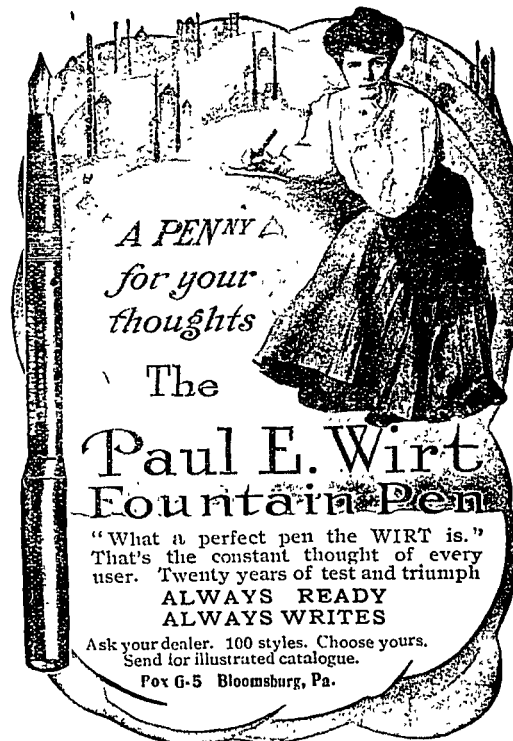

Princeton is the first American university to have a hunt club. In the spring they will play polo.

After a lapse of five years Harvard and Germantown Universities are to meet on the diamond this spring.

The most glorious stock of good things we ever offered our trade, consisting of fine clothing, hats, shirts and neckwear and all articles included in a regular line of men's, youth's and boys' furnishing goods now ready in profusion
