ward

D. KAVANAUGH, Manager

It is impossible to judge the International Clothes by the price. There is nothing about them that is similar to others—so comparison is out of place. They stand alone. *Though* popular priced they are far in advance of those that cost you double. The difference lies in the fact that the International Tailoring Co., of New York and Chicago have different methods and are able to render service of the highest order at a price that none can imitate.
