Indiana Normal vs. Scrubs.

Captain Ryan's scrub team treated the undergraduate body to some fast baseball, when it met the Indiana Normal nine last Monday on Beaver field. Only after eleven innings of the hardest kind of a tussle, and numerous plays that drew loud applause from the spectators, could the visitors carry away a victory with them. The main features of the game were the splendid pitching of Skemp, who struck out twelve men, and the phenomenal fielding of Butz at second. This was the Scrubs' opening game and if their hitting can be improved, they should win most of their coming games with Lock Haven, Williamsport and Juniata college.

The following men played for the reserves: Glenn, ss; Ryan, 3; Leidich, m; Thomas, c; Watson, r; Butz, 2; Fox, l; Mosser, l; Foster, l; and Skemp, p.

The score:

Indiana Normal.....	0	1	1	0	0	0	0	0	0	1	-3

Nittany Lions Defeat Scrubs.

On last Wednesday, in a well-played game, the Nittany Mountain Lions defeated the Scrubs by a score of 8 to 6. The game was interesting throughout and was not over until the last man was out in the ninth. The scrubs scored first, running in two men in the second. In the fourth the Lions connected and ran in 5, Dougherty scoring two besides himself on his drive over second. The Scrubs tied it up in the fifth and took the lead in the sixth by adding one more. In the

ninth the Lions obtained a lead of two runs which the Scrubs could not overcome. Leidich put up a good game for the Scrubs while Abel in the box and Dougherty with the stick did some nice work for the Lions.

An Interesting Free Lecture.

Mr. Enos A. Mills, an old Rocky Mountain guide and prospector, who for several years was State Snow Inspector of Colorado, will give a free illustrated lecture Friday evening at 8 15 in the auditorium on the subject "Exploring the Rockies." Mr. Mills is sent here through the courtesy of the United States Forest Service, who during the past year has sent him through nearly every state in the union where he has given his unusual lectures on the forests of this country and their wild life.

Mr. Mills shows wonderful views of our western forests in their summer beauty; in their winter mantle of snow; and in the agony of the great forest fires. The following editorial from the Denver Republican of January 31st 1900, expresses well Mr. Mills' place as a lecturer.

"The third speaker of the evening was one who has lived amid the forests of the mountains as few men have; loved and communed with them in their deepest solitude as only a poet or a Thoreau could do. Without rhetoric or bombastic oratory, Enos A. Mills can tell the story of the forest life in a language so simple and poetic as to charm any listener and inspire a deeper sense of what the forest is and to enhance the happiness of man."

The New Pharsonians.

The College Minstrel show Saturday night was a great success. The Auditorium was well filled, and all those who did not have some joke sprung on them by the end men, said they enjoyed it more than anything they had seen in a long while. The songs and jokes rendered by the circle in the first part of the per-
