

**Lafayette Track Meet.**

The meet held last Saturday at Easton resulted in the score of 53 to 51, in favor of Lafayette. The closeness of the score shows the intense rivalry existing between the two teams. Lafayette was so interested in winning that only two sets of hurdles could be found when these events were called. In consequence, heats in each of these events had to be run. As we had only one man entered in each of the hurdles, the second heat was a one man affair for Lafayette. The first heats were won by the Lafayette runners, and the State men were dropped and placed in third place. The loss of these places meant the loss of the meet, as the score would have been reversed by the taking of the seconds in these two events, which was not at all improbable.

The other features of the meet were the breaking of two records, one for each college. Dunn broke the State record in the hammer throw by about a foot, establishing a new record of 135 feet 3 inches. Herrick, of Lafayette, lowered the Lafayette record in the 220 hurdles by 4-5 of a second, setting the new mark at 26 1-5 seconds.

The summary:

**Examinations to Close on Friday.**

At the regular meeting of the Council of Administration held on May 14, it was decided that in order to bring the final examinations to a close on the Friday before the beginning of Commencement week, examinations in two subjects, particularly in those scheduled for only a few hours of recitation per week, may be set for the same day. It was also ordered that all subjects catalogued for two hours or less of recitation per week shall occupy only two hours for examination.
