

**Senior Examination Schedule.**

MONDAY, JUNE 1

8.30 a. m. Political Science.

TUESDAY, JUNE 2

8.30 a. m. Hydraulic Machinery,  
Petrography.

WEDNESDAY, JUNE 3

8.30 a. m. Power Transmission,  
Geodesy.1.30 p. m. Metallurgy 7, Con-  
tracts, Shop Economics, Law 4.

THURSDAY, JUNE 4

8.30 a. m. Pneumatic Machinery,  
Bacteriology.1.30 p. m. Periodic Literature,  
Electrical Transmission, Alter-  
nating Currents, Law 3.

FRIDAY, JUNE 5

8.30 a. m. Masonry Structures,  
Electric Railways, Mine 10.1.30 p. m. Telephone Engineering,  
Steam Turbines, Industrial  
Chemistry.

SATURDAY, JUNE 6

8.30 a. m. Reinforced Concrete  
Gas Engines, Metallurgy 4

Any examinations not appearing  
above will be scheduled by the  
schedule committee when the neces-  
sary information is received.

**The Harrisburg Track Meet.**

State will be represented in the  
intercollegiate meet at Harrisburg  
on Saturday by a team of probably  
twelve men. Seldom, if ever, in  
the history of our track team has  
there been a time when so many  
men were laid up with ills of various  
kinds. More than a dozen men, in-  
cluding Coach Golden, have been  
unable to appear for work during  
the last few days. There are two  
cases of mumps, two of quinsy,  
two of grippe, besides others of  
tonsillitis, sprains, and general de-  
bility.

Among the colleges represented  
will be Lafayette, the Indians,  
Swarthmore, Lehigh, W. U. P.,  
Dickinson, and W. and J. What  
our team will be able to do under  
the circumstances is a question, but  
it is hoped that a creditable showing  
may be made.

**Prof. Wilson to Leave.**

Prof. Victor T. Wilson, who has  
been in charge of the department of  
drawing during the past year, has  
announced that he will close his  
work here this year and will go to  
the Michigan Agricultural College.  
At that institution, which has about  
the same number of students as our  
own, Prof. Wilson will be at the  
head of the drawing department.  
The college has an excellent equip-  
ment for engineering work, and will  
dedicate a new engineering building  
on June 22.

Prof. Wilson is at work on a new  
text book on descriptive geometry
