The W. U. P.—Carnegie Tech Meet.

The arrangements have finally been completed for Monday's triangular track meet with W. U. P. and Carnegie Tech on Beaver Field. The original plan was for our team to compete against the combined teams from the Pittsburg institutions, but by a later arrangement the points made by each team will be counted separately. Carnegie Tech will probably bring seven men and W. U. P. five. Both teams will be made up of the best men from the institutions and an interesting contest is assured.
