

get State's forces into shape for the Indian game.

Of last year's ends, Captain Burns and Campbell have graduated, while Maxwell did not return to school and Welsh is unable to play on account of lack of time. As a result this season's eleven will be practically a new one from end to end. The candidates who have shown the best form at end so far are Messner, Ayers, Hipple, Dillon, Berry, and Caruthers. These men are all inexperienced and rather light, and the selection of end material is still far from definite.

Vorhis, Hermann and Ballow are out for quarterback, with a possibility of changing Vorhis to end. The other backfield men are Captain McCleary, Hirshman, Barnett, Harrington, Barr, Nagle, Brown, McWhinney and Spoerle at halfback, and Smith, Mosser and Forsythe at fullback. Nothing definite has been agreed upon but the backfield which looks best is Vorhis, Hermann or Ballow at quarter, McCleary at right half, Smith at full and Hirshman at left half. This combination is undoubtedly a strong one, but what it can do behind an inexperienced line remains to be seen. Manager Postlethwaite's schedule is an unusually stiff one, including, as it does, games with the Indians, Cornell, Penn, Navy, Bucknell and W. U. P. The co-operation and

assistance of every student is therefore necessary for a successful season.

The Bellefonte Academy Game.

The football season at Penn State was opened last Saturday, when the strong Bellefonte Academy eleven won from the varsity 6 to 5. It was a regularly scheduled game and the visitors made a new record—that of a prep school winning from a State team on Beaver Field. In justice to our men it should be said that the varsity backfield and most of the varsity men did not get into the game until the last few minutes of play and some of them not even then.

The Bellefonte ends played aggressive, sure football and much of the credit for the victory is due to them. The visitors scored about the middle of the second half when Dillon secured the ball on a State fumble and crossed the white and blue line after a pretty forty yard run. Elsey kicked the goal which won the game, as Barr had already made an inaccurate attempt to put the oval between the posts after Harrington had scored on a line play about the end of the first half.

Grove City college is to be played Saturday afternoon on Beaver Field and the Penn State eleven goes to Wilkes Barre a week later to play the Indians. Manager Postleth-

waite has arranged for a special train to carry the students to Wilkes-Barre and it is confidently believed that a strong delegation will be ready to go. The Bellefonte score.

STATE 5 BELLEFONTE ACADEMY 6

Hipple, Berry... Thomas, Steppy
Strom, Lyon, Watson... South
Montgomery... Stevenson, Wyckoff
Gray... Wagner, Boyd
Durling, Hall... H. Succop, Loudon
Riddle... Wyckoff, Wilson
Dillon, Messner... Elsey
Ballow, Hermann... Wright, Davis
Barr... R. Succop
Barnett, McCleary... Dillon
Harrington, R. Smith, f... Smith
Touchdowns—Harrington, Dillon. Goal from
touchdown—Elsey. Time of halves—15 minutes.
Umpire—Barr. Referee—Dunn.

Football Schedule.

Sept. 19 Bellefonte Academy at State
Sept. 26 Grove City at State
Oct. 3 Carlisle Indians at Wilkesbarre
Oct. 10 Univ. of Penna. at Philadelphia
Oct. 17 Geneva at State
Oct. 24 West Virginia at State
Oct. 31 Cornell at Ithaca
Nov. 7 Bucknell at State
Nov. 14 Navy at Annapolis
Nov. 21 Open
Nov. 26 Univ. of Pittsburg at Pittsburg

New Alumni Headquarters.

The large room at the right of the main entrance of the Carnegie library is being fitted up and within a few weeks the Alumni association will have fine new headquarters. While some provision has always been made for this purpose, alumni have never had a permanent room which was distinctively their own.

Furniture is being bought, and the room will be comfortably equipped. It is intended that the graduate manager of athletics shall also use the room as his headquarters, and the trophies which are now in the Track House will ultimately be placed in the new room.

Registration.

On Tuesday the number of students registered in each department was as follows: Engineering, 605; Agriculture, 214; Mining, 108; Natural Science, 97; Womens, 30; Modern Language and Literature, 24; Mathematics and Physics, 2; and Preparatory Department, 49. The total registration on Wednesday afternoon was 1129.
