

A Call to Debaters.

Heretofore State seems to have laid much stress upon technical subjects and has neglected the possibilities that lie in the realm of debate. In spite of this she has made a good record for herself along these lines, having won 5 out of 6 debates during the last three years.

In view of the fact that this year's freshman class is the best prepared that has ever entered the college, we look to them as well as to the older men to furnish good candidates for the debating teams. Three teams of four men each are to be chosen. Full credit will be given by the department of forensics for all of the time devoted to the subject.

The trials will be held in the old chapel on Friday evening, Oct. 16, at 7 p. m. Each man will have five minutes for his speech and three minutes for rebuttal. The question is, "Resolved, that all corporations doing an interstate business should be compelled to take out a federal charter under such regulations as Congress may by law prescribe, conceded that such legislation would be constitutional." All who intend to appear in the trials should hand their names and the side on which they wish to speak to one of the following, on or before Oct. 5.

Committee—W. R. Lams, '10, A. A. Borland, '09, W. E. Gross, '09, L. M. Fisher, '10.

A Horse Show to Be Held.

A fine exhibition of horses will be seen here on October 31. The show has been inaugurated by local men and will include horses owned within a radius of fifteen miles of State College. The animal must have been in the county since April 1, 1908 and in the hands of the present owner since July 1.

The exhibition will be held on the athletic field and in the woods west of the Agricultural building. The judging will begin at 10 o'clock in the morning when all classes are to

be judged by experts who will place the ribbons. A parade of the prize winners will take place in the afternoon, in the order of their classification.

The show and the parade will be under the supervision of a committee composed of members of the college faculty, citizens of State College and farmers from the territory included.

This will afford a great deal of interest not only to the animal husbandry department but also to the entire student body.

SATURDAY'S GAMES

State vs. Indians
 Cornell vs. Hamilton.
 Dickinson vs. F. and M.
 Geneva vs. Allegheny.
 Harvard vs. Maine.
 Haverford vs. Medico-Chi.
 Mt. Union vs. U. of Pgh.

 Michigan vs. Case.
 Penn vs. Bucknell.
 Ursinus vs. Lafayette
 Westminster vs. W. Va.
 Western Reserve vs. W. and J.
 Yale vs. Syracuse.

Death of Mrs. Mitchell.

The many friends of Mrs. Anna Cameron Mitchell, wife of H. Walton Mitchell, '90, regret deeply to learn of her death which occurred on Thursday, Sept. 24. The funeral services were held at the family residence, 459 South Rebecca St., East End, Pittsburg, on the following Saturday afternoon.

Registration.

The registration on Tuesday was as follows:

Freshmen	365
Sophomores	306
Juniors	199
Seniors	135
Specials	69
Preps	49
Total	1123

COLLEGE NOTES.

The Phi Kappa Sigma Fraternity has been given a building lot on Fraternity avenue north of the Sigma Chi house.

Captain Hay, as captain of the U. S. Cavalry rifle team, visited Fort Ethan Allen in Vermont, Camp Perry in Ohio, and Sea Girt, N. J. His team was third at Camp Perry and fifth at Sea Girt.

The U. S. Department of Agriculture Bulletin of September 15, 1908, designated as Forest Circular No. 154 is written by Professor Hugh P. Baker, and is entitled Native and Planted Timber of Iowa.

Doctor Pond spent a week in Chicago, attending the meetings of the International Acetylene Association. He was later joined by his wife in a trip to Quebec, partly in the line of professional duty and partly for pleasure.

Professor and Mrs. Foster left soon after college closed for a trip to Niagara, Montreal, and the Maine coast, and spent the remainder of the summer at the Foster home in Connecticut.

At the recent meeting of the National Millers' Association held in Baltimore a committee was appointed to co-operate with the College in establishing a plant for testing various kinds of wheat to ascertain their value as flour producers. This action was brought about by H. V. White, of Bloomsburg, a trustee of the College and a member of the National Millers' Association.

Large views of the campus and of the different athletic teams, which were made by photographer Smith, were sent to Wilkesbarre the early part of this week to be used in advertising the football game. These large pictures with the blue and white printed ribbons which go with them will later be sent to Philadelphia and Pittsburg to be used for advertising in these cities.
