

The Beaver Valley Club.

For social purposes and with the idea of furthering State's interests in Mercer, Lawrence and Beaver counties, an enthusiastic meeting was held in the Engineering building last Tuesday evening. Twenty-three of the forty-five students who live in this region were present and elected the following officers: president, H. M. Patton; vice president, S. M. Smith; secretary, J. F. Forsythe; treasurer, L. H. Rogers. A feed will be held by the newly formed club before Thanksgiving and other social functions both at school and at home are planned.

All men who live in Mercer, Butler, Lawrence or Beaver counties and have not joined the "Beaver Valley Club" are requested to send in their names to the secretary and take part in the next meeting.

Mrs. Pond was called to Massachusetts last Friday because of the serious illness of her father.
