SATURDAY'S GAME.

A Glorious Victory Over Bucknell. Large Crowd Present.

In all the eleven games played with Bucknell up to 1900 when athletic relations were severed, State won eight and lost three. In '93 Captain Holey's eleven won from the Lewisburgers 36 to 18 and four years later Captain Curtin's team trimmed the orange and blue 27 to 4, yet these two overwhelming scores, which were the biggest run up by any white and blue eleven against the Bucknellites previous to the last forfeited game of 1900, were outdone by Captain McCleary's sturdy aggregation last Saturday on Beaver Field. Our team played brilliant, unbeatable football and brought joy to the hearts of hundreds of old alumni by winning 33 to 0. During the first half captain O'Brien's team showed some strength after McClellan had received Shoop's kick-off and State's team had taken the ball over the visitors' line in six successive plays, which referee Crowell said were as fast and well executed a series of rushes as he had ever had the pleasure of watching. Bucknell recovered a fumble in the middle of the field and Wickham's on-side kick went to the 5 yard mark, where Beemer fell on the ball. In two plays Shoop made a touch down for Bucknell and the score stood—State 6, Bucknell 5. That was the one and only hopeful moment for the orange and blue, since Hirshman went over for the second touchdown before the half ended. On account of a broken bone in his foot, McCleary was forced to retire

New Scholarships.

At a recent meeting of the state federation of women's clubs held at Pittsburg, it was voted to raise \$15,000, the interest of which will be granted as scholarships in the home economics department of the college. The completion of the plan was placed in the hands of the officers of the federation.

The movement which led to this action originated two years ago with the woman's club of State College. The scholarships will be in memory of Miss Kate Cassatt McKnight, the late president of the federation, who was instrumental in the creation of the department of home economics at State. It was while Miss McKnight was in Harrisburg last year working for this department that her health failed and her death resulted.

"All-Pennsylvania" Eleven.

A Pittsburg paper has selected for its "All-Pennsy" team, right guard Cyphers and right halfback McCleary on its first eleven. Smith at right tackle, Vorhis at left half, and Hirshman at fullback were placed on the second eleven; and Ballou was honored with the position of left halfback on the third team. It is a significant fact that the men on White and Blue teams are well known all over the Keystone State, and a game in the eastern part of the commonwealth with Pennsylvania, one in the west with the University of Pittsburg and one with the Indians at Wilkes-Barre this fall have helped greatly to place the name of State before the people of Pennsylvania more forcibly than ever before.

Instruction in "Packing."

The War Department has assigned Mr. H. W. Daly, Chief Packer of the United States Army to give instruction in packing and the principles of mountain transportation to the two upper classes in the Department of Forestry. The instruction will begin Nov. 12th and continues for ten days. Mr. Daly is one of the best known packers in the west and gives regular instruction in this work at West Point and at various points throughout the west. The department of forestry has secured three or four different types of pack outfits with which Mr. Daly will illustrate all the methods used in field work, in the mountains and in the transportation of supplies of all kinds by pack.

On the evening of November 17th Mr. Daly will give an address in the assembly room of the Agricultural building on Packing and Pack Transportation, to which all are invited.

New York Alumni Meeting.

The Pennsylvania State College Alumni Association of New York will hold its fall meeting on Saturday, Nov. 21, at the Graduates' Club, 11 East 44th street, at 7 p. m. Officers for the year will be elected and an informal dinner will be served. All State men in or near New York are urged to attend, and all who expect to be present, or who know of State men to whom invitations should be sent, are asked to write to the secretary, A. S. McAllister, 239 West 39th street, New York City.

L. L. Ansart, '98, was in town last week.
