The Pennsylvania Day Program.

All college exercises will be suspended for Friday, November 20, in view of the celebration of Pennsylvania Day. From present prospects there will be a large attendance of members of the General Assembly of the state. Governor Stuart, who was at the celebration last year, finds it impossible to be present this year, but Lieutenant-Governor Murphy is expected.

The guests from the western part of the state will reach the college, by a special parlor car, on Thursday afternoon about 3:20 o'clock. They will be met by a committee on welcome, and will be conducted on a tour of inspection, going to the engineering building, the engineering annex, the mining building, the chemistry building, and thence to the agricultural building. Plans have been made to give a smoker to the guests in the engineering club room in the evening, and entertainment will be furnished by a number of the students, including the college quartette.

The guests from the eastern part of the state will arrive at Lemont about 8 o'clock on Friday morning and will be brought to the college in carriages. The forenoon exercises will be held in the Auditorium beginning at 10:30. The house will be turned over to the public to take seats at will. Music will be furnished by the college orchestra, the choir and the quartette. Among the speakers will be Judge Harry A. Hall, of Ridgway, Pennsylvania, William W. Aterbury, General Manager of the Pennsylvania Railroad company, Ex Senator Reburn, Mayor of Philadelphia, and others. The exercises will close at noon. Luncheon will be served to the guests at McAllister Hall.

At 1:30 p. m. the regiment of cadets will be inspected by Major General John A. Wiley, who is in command of the state troops of Pennsylvania. Gen. Wiley will be accompanied by his aide, Col. Samuel Jefferies. Immediately after the dismissal of the parade, the annual football game between the freshman and sophomore classes will be played.

Classes in Mission Study Organized.

The Christian Association has just taken up the organization of mission study classes, and the aim will be to enroll two hundred men in these classes this year. The fact that we now have a representative in the foreign field, G. W. Groff, '07, of Canton, China, and that nearly \$700
