COLLEGE NOTES.

An unexpected change of plans make it necessary for Mr. William L. Hall to postpone his lecture on the "Conservation of Natural Resources" to December 18. Mr. Hall was scheduled to lecture in the Free Lecture course one week earlier.

The Friday Club, an organization composed of members of the Faculty, upon disbanding a year ago voted to turn over the balance of the money in its treasury to the college hospital. During the past week a check was received from Mrs. John Price Jackson for \$21.31, representing this sum. It will be used in purchasing needed equipment for the sick rooms in the hospital.

In order to make the underclassmen in the electrical course feel that they have a genuine interest in the work of their department, the Electrical Engineering Society has de-

ecided to hold once a month a joint meeting to which every man in the department is invited. The first of these will be held next Wednesday evening, and a program has been prepared which will be interesting to every electrical. The time and place of the meeting will be posted later.

\$50 in Gold.

The local real estate dealers, Leathers Brothers, are offering to students an opportunity to earn prizes of \$25, \$15 or \$10 in gold. These prizes are offered for the three best letters of from 100 to 150 words stating why real estate on the Highlands of State College is a good investment.

Details may be obtained by calling at their office, 116 College Ave. Further particulars are also given on the handbills which are being distributed.
