

Illustrated Lecture on Forestry.

The opening lecture in the free lecture course will be delivered in the Auditorium at eight o'clock on Friday evening, December 18, by Mr. William L. Hall, of the United States forest service. The subject of the lecture is "The Conservation of our National Resources." Mr. Hall is a public speaker of note, and has lectured widely throughout the country. His lecture will be illustrated with many interesting lantern slides. Those who were disappointed last year should avail themselves of this opportunity to hear an illustrated lecture on forestry. Admission is free. Doors open at 7:30 o'clock.

Special Note to Alumni.

It has become a matter of general understanding that at the Christmas season the Library receives gifts from Alumni. In other years and with the hearty support of General Beaver, appeals have been sent out. These have always returned in fruitful additions, and the appeal is hereby brought once more to the attention of Alumni and friends of the college for donations of books, and funds for purchase of books, so much needed by the institution.

A '09 Man Married.

The announcement was made this week of the marriage of W. R. Barlow, '09, and Miss Bertha Wetzell, which occurred at Shamokin on April 19. "Bill" has a host of friends, on behalf of whom The Collegian extends congratulations.
