

The Bucknell Game.

Last Friday was Bucknell's first appearance on State's basketball floor since 1900 and the event was celebrated with a clean-cut victory over the orange and blue. Captain Funston was able to start the game for our team and threw three pretty field goals during his short stay in the contest. His injured knee compelled him to retire from the game, but he had the pleasure of seeing our five take revenge for last winter's defeat by the score of 28 to 16.

The guards put up an excellent defense and the opposing forwards located the basket for only two field goals. The Bucknell team always fought hard, but heady work and good passing by Hermann, Reed and Waha always kept State in the lead.

The Allegheny Game.

Allegheny College found our team in its best form on Thursday night and met the first defeat it has sustained in two years. With such stars as Baker and Maxwell the visitors came here full of confidence, but Penn State's passing kept them guessing and won the game for the white and blue. Reed secured five baskets and Waha and Hermann were close behind with three each, yet the work of our whole team was so good that unstinted praise is due each one of them. Baker made seven clean cut foul goals.

Three Requirements for all Students

You need reliable, original and complete material for written or spoken work. You also need books and magazines. And later a summer or permanent position, which you should plan for NOW, before all the best openings are filled. Here is the way to get all three at a minimum of effort and expense.

WE ARE DEALERS IN FACTS

We furnish the best information obtainable on any subject in school, college or club, in business and public affairs. Our work is accurate, complete and to the point, carefully typewritten, promptly supplied, and arranged in suitable form, with outlines, bibliographies and full references.

We not only have in our own force highly-trained investigators and specialists in various lines, but we have made a business of "knowing the men who know," and by means of this system of knowing "Who's Who for Efficiency" we can go straight to headquarters for authoritative information and expert advice.

Added to our large stock of information on hand and our means of obtaining authentic information, we have a highly efficient system of sifting, arranging and presenting our facts in form that exactly meets individual requirements—that would exactly meet YOUR needs.

We are especially strong in political science, economics, sociology, anthropology, fine arts, literature, applied science, commercial geography, travel and exploration, international law and diplomacy, history, foreign affairs, interstate and foreign commerce, financial and industrial conditions, and public problems and live questions of the day.

The cost is less than might be expected. Our charges for new and original material are at the rate of two dollars for each thousand words furnished. Quality of work guaranteed, or money refunded. Methods, references and quotations on important investigations furnished upon request. (We have thousands of articles on hand which we offer, subject to prior sale, at \$1.50 per thousand words. Send for price list.)

A DESIRABLE POSITION FOR YOU

If you are wise, you are already planning about a summer or permanent position or about an opening in the professions or independent business. To introduce our service to you, we will give you advice, information and real assistance along these lines WITHOUT CHARGE (from now up to the time you secure a desirable position) if you send us a five dollar order for information—i. e., 2,500 words or over at \$2 per thousand.

In our official capacity, we come in touch with boards of trade, chambers of commerce and other local and general organizations of employers, as well as large corporations and other concerns, educational and other institutions, and municipal, state and other governmental departments. We are thus in a position to know of positions of all kinds everywhere as well as opportunities for starting out in independent business or professional lines.

No red tape, no commissions, no strings are attached to this offer. It is free and unconditional. This information we gain about positions is simply a valuable by-product of our regular information business, and we use it to attract help and thus hold customers. We do for you all that any regular employment agency can do, with this important difference—we ask you to sign no involved contracts, pay no fees or commissions, and incur no other obligations.

BOOKS AND MAGAZINES FREE

As a further inducement, with every five dollar order for information we will give free, in addition to the employment privilege, any book or a year of any magazine you specify, the publishers' price of which is not over one dollar. With a ten dollar order for information, we will give \$2 worth of books or magazines; with a \$15 order, \$3 worth; with a \$20 order, \$4 worth; with a \$25 order, \$5 worth; and so on. Two or more men may club together with several subjects to make such an order and divide the privileges among them.

HOW TO ORDER

Just think up one or more subjects on which you need material. Estimate the number of words required. Enclose two dollars for each thousand words desired, give us exact directions as to what you want and when you want it, and if the order is for five dollars or over, name the books or magazines you wish and tell us about the position you would like and your qualifications for it. We will do the rest. Address at once:
