

**Bucknell's Registrar Dead.**

Bucknell suffered a severe loss last Thursday when William C. Gretzinger, who has been registrar of the University since he was graduated there in 1889, succumbed to Bright's disease. He was a man of the highest character, and an untiring worker for his Alma Mater. Because of Mr. Gretzinger's death the functions scheduled for the latter part of Junior week were postponed. These included the basketball game with State that was scheduled for last Saturday night.

**Gathering of U. of P. Men.**

At the same time that the alumni association of the University of Pennsylvania was holding a banquet in Philadelphia on Washington's birthday in honor of the President-elect of the United States, the Pennsylvania men here at State College were holding a reunion and dinner at Nittany Inn. Those present were Dr. Meyer, and Messrs. Logo, Goldsmith, Niederhouser, Freas, Roberts and Dye.

The new instructors who are helping in the second semester's work in the chemistry department are R. S. Prichard, a graduate of Colgate, Raymond Freas of the University of Pennsylvania, and A. E. Roberts from Swarthmore.
