Schenectady Alumni Banquet.

The first annual banquet of the Schenectady Branch of the Alumni association was held at Thalman's Saturday evening, February 20th. The meeting was a very enthusiastic one, all the members present evincing a lively interest in the Association, and in the work at the college. It was unanimously decided that at least two meetings should be held each year.

D. H. Plank '00, president of the Association acted as toastmaster. D. S. Morgan '00, J. E. Isenberg '02, P. C. Smith '02, H. M. Jacobs '06, J. C. Gotwals '06 and V. V. Veenschoten '07 were called on for short speeches. Mr. Isenberg was introduced as the man with a B. S. M. S and Dad after his name. He said that he, like Mr. Morgan, was too happy for words

Mr. Smith gave some very interesting facts concerning the business of the General Electric Company during the past year. He believes that there will be plenty of opportunity for the men who stick until the financial conditions of the country again become stable. Mr. Jacobs described the old and the new electrical laboratories at State and told about the marked changes at the college in the past few years. Mr. Gotwals' speech on athletics at State was thoroughly enjoyed. He described the graduate system of coaching and predicted a new era for all branches of sports, especially after the completion of the new athletic field. Mr. Veenschoten emphasized the importance of the alumni interest in the meetings and

work of the association. Great benefit is to be derived by concerted action.

During the evening the following officers were elected for the ensuing year:

- President, H. D. Plank.
- Vice Presidents, P. E. Smith, H. M. Jacobs, F. Hershey.
- Secretary and Treasurer, J. F. Trittle.

The following men were present: D. H. Plank, D. S. Morgan, P. E. Smith, J. E. Isenberg, J. F. Trittle, H. E. Plank, J. C. Gotwals, C. J. Adams, W. C. Bratton, W. L. Hersh, F. Hershey, E. W. Nick, L. R. Seidell, V. V. Veenschoten, J. H. McCoy, H. M. Jacobs, C. W. Walker.

The Ben Greet Plays.

The Ben Greet company of players presented The Merchant of Venice and Macbeth under the auspices of the Men's Literary Club Saturday afternoon and evening. Both performances were largely attended, the evening attendance being especially notable. Special trains brought a goodly number from Bellefonte, among them many pupils of the high school and academy.

Only the highest commendation has been heard everywhere throughout the college concerning the rendition of these two plays. It is a real privilege to be permitted to see a Shakespearean play given as Shakespeare wrote it and in something like the Elizabethan manner. No one felt the lack of scenery and no one missed the presence of the great star actor who would dominate the play until all would forget everything save him. The evenness and studied accuracy of the acting was remarked upon by all. The whole effect was educational as well as pleasing.

Some of the acting was especially excellent. The Shylock of Leonard Shepherd was in every way satisfy-

 (Some people say 'tis so)
 Oh, tell me where the flour is found
 By one who needs the dough.

and many others had to work their way through college.
