

Be it further resolved, that these resolutions be published in the State Collegian, be spread upon the minutes, and that a copy of same be forwarded to the bereaved family,

Proposed Honor System.

The proposed honor system, as presented for signatures, has so far failed to gain the necessary number of signatures for its adoption. Practically all of the students in the engineering and agricultural schools have signed, but the measure can not be adopted at present. It is very likely that the same methods in effect before its proposal will still be in force, each school or section using a system of its own adoption.
