ALUMNI NOTES.

The Collegian is in receipt of a letter from E. C. Hickman '08. He is in Cobalt, Ontario, Canada, as foreman of the Kendall shaft which contains the richest vein of the Nipissing Mining Company. He is succeeding splendidly up north and is as much interested as ever in Old State and the welfare of the students. He gives us information concerning some of his classmates and other alumni.

E. W. Nick '07 has left the employ of the General Electric Company at Schenectady and will go to Panama where he will install General Electric railway apparatus for Dodge and Dav of Philadelphia.

The Best Argument we can offer for the character of our Clothes is the Clothes themselves. Every man who has worn them will acknowledge their superiority—their wonderful value and their undoubted merit. We show a remarkable diversity in the number of models and fabrics we display.
