The winners of first, second and third places, were awarded elegant gold, silver and bronze medals, which the Penn State Alumni chapter of New York City presented for the meet, and these surely will be prized by all -- To Sprague of Bellefonte Academy was awarded a Trustee's Scholarship for making the highest individual score. It was acknowledged on all sides that the first of State's annual prep school meets was a decided success, and that with winning the first baseball game on the new field, our cup of joy was full last Friday night, and our appreciation of the "New Beaver Field" unbounded.

The Dickinson Victory.

Last Friday when the third inning of the Dickinson baseball game was finished, we had a lead of five runs. Then the contest was interrupted for a time in order to award the medals to the prep-school track men, and when hostilities were resumed the visitors had so far recuperated from their first surprise that they scored four runs in the fifth inning and gave promise of making the game more than interesting. Skemp was sent in to twirl and the big south-paw allowed but three hits and no runs during the remaining four innings of the game.

McCleary's baserunning was a feature; it seemed that the Dickinson catcher could not get him anywhere on the bases, for "Bull" always slid in safely when running on his own hits or for Lynch and Skemp. Eberlein continued his excellent batting and Kelly made several sensational stops. "Larry" Vorhis infused his own energetic spirit in the players at all times and to him must belong a good share of the credit for a fine victory. Lang staff was easier for our batters to

Bucknell Next!

On Saturday our nine will journey to Lewisburg to meet one of the best teams Bucknell ever had. With Captain Northrup in the box

the Orange and Blue has won some very creditable victories this year, among them being games with the Indians, Navy, Syracuse and Susquehanna. The Bucknell leader allowed the Navy and Indians but one hit each, while Susquehanna made only two. We our pitted against a foe worthy of our mettle on Saturday and it is hoped that a large delegation of students will accompany the team.

It is interesting to students, past and present, to consider our baseball record with Bucknell:
