## Orchestra Concert.

On Friday night we will have an opportunity of having our concert orchestra render a program which is sure to please everyone. They have worked hard in preparation for the concerts given in Philipsburg and Bellefonte this week, and are confident of producing an entertainment well worth while to any lover of music. In view of the fact that this is a purely student organization, that the members have spent much time in preparation for the concert, and that in the past they have been, and always will be, in the future, a very necessary and a willing aid in all entertainments, everyone should turn out and give them support, and show them that there is State spirit behind them too, as well as behind other college organizations.

The orchestra this year is one that we can be proud of. Visitors to college never fail of remarking on the excellency of the music, and this year with thirty members, it is better than ever.

The program has been very carefully selected and contains three solo numbers. Mr. Armstrong, who is always a favorite, will sing a baritone solo, accompanied by the entire orchestra. The effect which

this produces is very sweet indeed, and new here. Mr. Meissner will play the Seventh Concerto for violin, by De Beriot. The exceptional ability of Mr. Meissner is known to every student, and the solo he has selected is one of the most beautiful and popular pieces among violinists of today. Another feature will be an Impromptu for mandolin, unaccompanied, by Mr. H. J. Meyer '11. His execution on the mandolin is remarkable and was a big feature in the concerts at Philipsburg and Bellefonte.

All seats will be reserved and may be obtained tonight at the Athletic store from 6.30 to 8.30, and tomorrow night, after seven o'clock, at the Auditorium. The prices are thirty-five and fifty cents.
