TRACK MEET

Swarthmore Downed Last Saturday in a Fine Meet—Records Broken.

For the first varsity meet on the "New Beaver Field" against Swarthmore last Saturday, we had the finest kind of a day and the struggle was close and interesting, with a final score of 63 to 41 in our favor. Watts broke the State two-mile record by 1 3 5 seconds when he made the eight laps in 10 minutes 16 seconds; Wade Barnes '04, who held the record until Watts' performance last Saturday, encouraged the present freshman in his efforts all through the race, and was at the tape with a hearty handshake when the race was completed. Eberle, who won seventeen points for the visitors on Saturday, did not compete at Lafayette on May 8th and thus it is easily understood how the Easton team had a walkover with Swarthmore. Eberle was the most valuable man the Garnet team brought here, his performance in the 220 yard hurdles lowering both the State and Swarthmore records. Had the visitors been stronger in the long distance runs they might have made the score closer; as it was we won cleanly and easily. Captain Maurhoff did some excellent pole vaulting and but for his injured left hand would more than likely have broken Zink's record in pole vaulting. In tying Eberle in the 220 yard dash, Berry equaled our record in that event. In putting the shot 44 feet 11 1-2 inches, Kreuger of Swarthmore made a record which is probably the best ever made on a State field.

Undoubtedly the meet last

Saturday was one of the best that will be seen here in many a day.

We can only infer from the performances of our athletes at that time that our track team is now attaining the best form that a State team ever had. Let us hope so and watch for developments in the Intercollegiate Meet at Harrisburg on May 31. The results on Saturday:

VICTORY AGAIN

Our Baseball Team Played Thrilling Ball at Lewisburg on Saturday.

Back in the nineties when State first began to meet Bucknell in the various branches of athletics and when the Lewisburgers were our greatest rivals, the White and Blue always won the majority of her contests with the Orange and Blue, but never was there such a run of signal victories as we have won over Bucknell this year. The football game on Beaver field last fall in which Captain O'Brien's team was smothered 33 to 6 was the first intimation that we were drawing out of Bucknell's class; then came the clean cut 28 to 16 basketball victory last winter, and now we have last Saturday's convincing proof that we "have it on" Bucknell in baseball, too.

Skemp did not allow our opponents a single hit in the ten innings that he pitched; that is a feat that will be talked about for years to come. It is true that twelve strenuous innings were required to show our superiority over Bucknell last Saturday and that "Our Own" threw away a half dozen chances of winning within the allotted nine innings but it seemed merely a matter of time for State to win after Skemp went into the box.

Northup found things lively right at the start. In the first inning after Kelly had gone out on a grounder to second, "Larry" Vorhis hit for two bases. Workman followed with a triple and scored when Hirshman was thrown out at first. Bucknell was not long in tying up the score; in the second inning Soper hit for a clean
