

home run after Henderson had singled. From the second inning until the twelfth the score remained even, 2 to 2. Lynch retired at the end of the second inning when he was hit on the right hand by a fast inshoot; after that Northup and Skemp had a great pitcher's battle until the twelfth.

Then Skemp got to first on a missed third strike. Kelly singled and Workman brought both over the plate with a smashing two base hit. Workman thus scored one run himself and knocked in our other three tallies. The finish was enough to bring on heart failure and the few loyal Penn State students who got to Lewisburg made more noise in the last inning than the entire Bucknell student body produced during the entire struggle; before that they had not been idle in the rooting line. It was a great victory and well earned. Let us make it a clean slate with Bucknell at the Commencement game. Score:

has been on the firing line for '12 and his performance last Friday against '11 won great applause. The big fellow struck out seventeen men while his opponents, McCain and Meade, fanned an even dozen batters. Meade twirled admirably and but two runs were secured off him in the eight innings that he pitched. Bubb stole four bases. None of the league catchers have yet been able to head off the sophomore "prex" anywhere between the sacks. Sheldon and Jacobs hit well. Score:

The Juniors Give '11 Last Place.

In the struggle for the "cellar championship" on Wednesday May 12th, the Juniors won over the Sophomores in an exciting game. All the runs were scored on errors and both Piolet and Minich pitched excellent baseball. The Sophomores' bad timing—they appear to

have one in every game—was the fourth when two tallies scored by '10 clinched the argument. One hit, two errors and two passed balls in that round tells the tale of '11's downfall. Score:

Juniors Down the Freshmen.

In another column is noted the fifth consecutive victory of the Freshman ball team, but 1910 purchased the first hole in their record last Monday. It took the upperclassmen an extra inning, however, to drop the young ones who were minus the services of pitcher Klepfer and third baseman Wilson. Although the fielding on both sides was loose and erratic, the wearers of the pearl and gray really deserved the victory on account of their superior stick work. Butt, Eichelberger, Mason and Sheldon batted well, while Dunn played a sensational game in left field. Because of its
