Handicapping in Interclass Field Meet.

Today is the last opportunity for contestants in Saturday's Interclass Track meet to hand to athletic-director Golden a list of their performances in past meets. Every man is depended upon to present a reliable, trustworthy account of his time in all events in which he has been a competitor, in order that a fair handicap and incidentally a "square deal" may be given every man. The handicapping is bound to make the affair more interesting and any class will have to strain every muscle to get its shield hung up in the trophy-room, bearing the names of the members of the team. The handsome medals for the Interclass event presented by the Boston Alumni are well worth striving for and it is a foregone conclusion that this will be the banner interclass field meet.
