

The 1910 La Vie.

The 1910 La Vie is being very rapidly disposed of at the Athletic store this week. All subscribers are urged to get their copies early as they are not being held over any longer. The price for each book is \$2.

Cornell University recently suffered a loss of about \$1,000 by the burning of the hydraulic laboratory of the College of Civil Engineering at Bute Lake.

The salaries of the faculty at Chicago have recently been raised twenty-five per cent. Heads of departments now get \$6,000 and professors \$4,000.

While testing street lamps at Columbia University, Dr. F. L. Taft, of the Physics Department, was instantly killed.

The University of West Virginia students are organizing a rowing association and intend to be represented in the future by a crew.

An engineering student at the University of Illinois recently won a prize for a woman's hat designer.

The University of Pennsylvania Chapter of the Accacia fraternity installed a chapter in State College on Wednesday. The installation committee consisted of Joseph R. Wilson, grand president of the fraternity; Dr. E. M. Fogel, professor of German in U. of P.; E. C. Carman, president of Pennsylvania chapter, and L. L. Thompson. The organization is composed of Masons and was instituted in Odd Fellows' hall.
