In order to obtain the latest and most accurate information on the residences of our students, the request is made that all who have changed their room since registration should go to the business office and give their new address. This material is for the new directory which is to be out by the first of November. Everyone should take an interest in doing his part towards making it as accurate as possible, for there will be many occasions to refer to it during the year. The reason it will not be out before November first is solely to make it as accurate as possible, so that when one looks anything up they will know it is right. Don't forget to correct your address!
