

COLLEGE NOTES.

Dr. Sparks during the past week, visited ten different colleges and spoke at three alumni banquets in New York, Boston and Schenectady. The colleges visited were Harvard at Cambridge, Mass., Tufts at Medford, Mass., Massachusetts State College and Amherst College at Amherst, Mass., New Hampshire State College, Rensselaer Polytechnic Institute and the Mary Willard College at Troy, N. Y., Union College at Schenectady, Dartmouth College at Hanover, N. H., and Mt. Holyoke at S. Hadley, Mass.

R. S. Fridy '07 has been appointed to fill the position of superintendent of the college lighting and heating plant to be made vacant on Dec. 1 by the resignation of Mr. P. H. Gentzel.

Mr. Fridy was, while a student here, working as foreman in the power room of the plant, and is at present employed with the General Electric company at Schenectady, having charge of the whole testing department. He will undoubtedly prove himself to be a capable manager of our plant.

Miss Elizabeth B. Meek, instructor in bacteriology, has been granted a leave of absence because of ill health.
