Band Concert a Success.

The combined band concert and moving picture show given last Saturday night was a marked success, compared with the band concerts of former years. The films were interesting and kept the large audience very much awake. The numbers furnished between films by the band were up to the high standard that has made the band noted in this part of the country.

The proceeds of the concert are to be used to buy more instruments, repair those in poor condition, and acquire some new music.
