EDITORIAL.

It seems to be the opinion of many of the students that The Collegian this year is being printed without the colored cover merely to reduce expenses. We beg to inform those persons and all others that the expense is far greater without the cover than with the cover. You are receiving this year a twelve page paper instead of an eight page as heretofore. The abolishment of the cover gives space for three more columns of reading matter, so that we are able to publish much that would necessarily have been impossible before. The cost of the extra composition work far exceeds the cost saved by the cover, but it will be well worth while if we receive the proper support, and by proper support we mean no knocking and no refusing to pay your subscription. We are always

open for suggestions but don't like to hear knockers. If it doesn't exactly suit you it would show better spirit on your part to make an effort to help effect a change than to knock.

Be loyal now in this as well as in other things which are solely for the college. You cannot show your spirit in a better way than by paying \$1.25 to the business manager before Monday.

New York Alumni.

At the dinner given by the New York Alumni on Oct. 15, Mr. H. B. McLean '90, discussed the Twenty-dollar Fund and read letters from Athletic director Golden and President Sparks expressing appreciation for the medals given by the association for the scholastic track meet held here last spring. Vice-President Kottcamp reported that 24 men had subscribed to the fund, and then he succeeded in getting 19 additional subscriptions. Mr. J. G. White expressed his willingness to insure the payment of any money subscribed by anyone who might find himself unable to meet payments when they become due.

It was voted that a telegram be sent to the team before the Penn game.

Following a tribute to the memory of Mr. Patterson by President Sparks, the presiding officer appointed a committee to formulate resolutions to send to the bereaved family.

The report of the Secretary-Treasurer, A. S. McAllister '98, was read and accepted.

The officers elected for 1910 were:—J. P. Kottcamp '04, president; H. H. McLean '90, vice president; A. S. McAllister '98, secretary-treasurer.

A vote of thanks was extended to the former officers, especially to Dr. F. J. Pond, for the effective serv-

ices rendered to the association during their terms of office.

The \$20 fund is a fund established by the New York alumni for the benefit of the college. All donations to the college for prizes or any other purpose are drawn from this fund instead of by individual subscriptions of varying amounts. (Ed.)

With Our Opponents.

West Virginia and Bucknell played a 6-6 tie last Saturday. Cole scored for the Mountaineers when they blocked a Bucknell punt back of the Bucknell goal line. The score for the Lewisburgers was made by Clark who intercepted a forward pass and ran eighty yards for a touchdown. The game was played at Morgantown on a muddy field and the teams appeared to be pretty evenly matched.

Out in Pittsburg captain Roe's team sprung the surprise of the day when it ran away with the Indians by a score of 14 to 3. Undoubtedly Pitt outplayed the Redskins and deserved the victory even though the struggle occurred on a wet, slippery field. Houser scored a field goal for the Carlisle eleven while Gavin did the same thing for the Pittsburgers, the first half ending 6 to 3. The touchdowns were made, one by Roe on a sixty-yard run after receiving a punt, and the other by Richards following some excellent line plunging by the Pitt fullback. As has been previously stated in this column coach Thomson has a mighty good team at the University of Pittsburg this fall and our game on Thanksgiving Day may prove to be the best of the year.

In the Cider Scrap on Saturday no shoes but tennis shoes will be allowed.

The freshmen have elected R. M. Baird as football manager and D. K. Skinner as basketball manager.

The team surely got a royal welcome Monday morning.
