"Heff' had been carrying the bail along tor good gains since the start of the game and his work on the secondary defense was great, so that when he pulled off the long sprint the State stands went wild. The presence of Bresident Sparks, who had just come down to the players" bench a moment before, may have been the good omen which permitted Hirshman to make the longest run of the game

It was said after the contest that "Buli" McCleary could have beaten Bucknell himself last Saturday had he had someone to pass the ball back to him While that is scarcely inue the Lewisburgers found it so hard to stop the big halfback, that the next two touchdowns were hisand they came close together

The final score was made when Vorhis got Bucknell worried by dropping back for a goal from field and while acting captain O'Brien's men were trying to block the kick. Hirshman was pushed through guard for a long gain, and when the ball was knocked out of his arm, Brown caught it on the fly and crossed the line for the sixth and final touchdown. Two of the goals from touchdown were kicked by "Larry" and one by 'Buil "

There was some dissatisfaction that manager McKee's two special trains were not filled but those who did go to Lewisburg, witnessed a fine victory with plenty of exciting features.
