## Let Us Hope So.

Thrown from her luxurious limousine the fair girl had lain insensible for many hours. Now, however, the operation was over, consciousness had returned, and she spoke faintly in the darkened room.

"Yvonne."

"Yes, mademoiselle" The maid bent over her.

"Yvonne, tell me—"

An anxiety almost sickening trembled in the low, weak voice.

"—did I, or did I not, have on my new \$8 silk stockings?"

**Scandal! Infamous! Men Only!**

If there's anything worries a woman  
It's something she ought not to know;

But you bet she'll find out somehow

If she gets the least kind of a show  
Now we'll wager 10c to a farthing

This poem she has already read.

We know she'd get at it some how—

If she had to stand on her head.
