

dent is needed. The coaches and players have worked hard this week and they will continue to do so, until the final battle is over. A goodly number of rooters to accompany the eleven and a final rousing "Holy mok-i-i, Penn-syl-van i-i, State" as "Parker's Boat" pulls out: then we should top off the year with a splendid victory, thus making this the most brilliant season in old State's history.

The old records show that the Pittsburgers have won only two games in eleven from us:

Press Club Smoker Tonight.

In the Engineering Club Room tonight at 6:30 the Press club will have a short informal smoker, and will be addressed by Mr. Charles R. Dorworth, editor of the Bellefonte Republican and formerly with the Philadelphia Press. His talk will be mainly in the way of suggestions and recommendations for the improvement of the present system of publicity carried on by the Press club. It is urged that representatives be present at this meeting from all of the county clubs here at college, to get pointers and help in the good work which the club is doing.

The club officers this year are W. L. McCoy, president, D. R. Mason, vice president, K. B. Lohmann, secretary and treasurer.

There is a regular membership at present of 25 men. They intend to carry out plans this year which will, to a very great extent, eliminate the publication of false reports in the various newspapers of the state. They succeeded in doing good work last year and will begin this year by sending out reports of the Pennsylvania Day activities.
