

LIBRARY NOTES.

Notable additions to the Library list of periodicals will go into effect January 1. The fact that the College is located in a small town, with no large Public Library, makes it necessary for the College Library to maintain a much larger list of periodicals for general reading than would otherwise be the case. The Library subscription list now contains 147 periodicals and 12 daily papers. Gifts of magazines and papers received bring the total to nearly 300.

The following German, French, and Spanish illustrated journals have been added for the new year: *Illustriste Zeitung*, *L'illustration*, and *La illustration*. These with the American pictorials, Harper's, Leslie's, and Collier's, and the London *Illustrated News*, furnish a variety of sources of pleasure and profit to the general reader.

Other new entries for the current year include:
