

Carlisle Indians; it ended 8 to 8 but the Blue and White played "more and better football" than our swarthy opponents. Hauser made the only touchdown scored against State this season, in the Indian game, and with a safety added the Indians were able to even up for Smith's touchdown and captain Vorhis's field goal.

Then Geneva was smothered 46 to 0 on New Beaver Field on October sixteenth. This was but a practice game preparatory to the Penn contest at Philadelphia a week later. Here our valiant gridiron heroes played the Quakers to a standstill as the final score of 3 to 3 well shows. lin Field and coached our eleven chiefly for a defensive game, but the result was highly satisfactory since we tied Old Penn on the gridiron for the first time in history. "Larry" Vorhis's field goal at the proper moment reminded one of his work at Cornell in '07 when the Ithacans were defeated 8 to 6 by his trusty toe, and the '08 Pittsburg victory when "Larry" kicked three field goals.

Following the Penn tie, Lafayette refused to play us under any conditions on October thirtieth and both elevens remained idle. Then came the 33 to 0 triumph over Bucknell and the 40 to 0 victory over West Virginia—the worst beatings ever administered to these rivals.

On Thanksgiving Day the season was ended in a blaze of glory at Pittsburg where the best eleven Pitt ever had was defeated 5 to 0. But for a muddy field Old State would have

scored an even greater victory to all appearances, yet that triumph was enough to bring back to State College the Spalding Silver football trophy and to bring to the foot of Mount Nittany the joy and gladness that must accompany the most successful football season Old State has ever experienced.

In looking over such a season only one regret is felt. We have seen "Larry" Vorhis, "Bull" McCleary, "Heff" Hirshman, "Shorty" Piollet
