

Hold a **KEEN KUTTER** Safety Razor

"Any Old Way"—You Can't Shave Wrong

That's a great point in favor of the Keen Kutter Safety Razor—it isn't necessary to hold it in any particular way to get a good shave; if you hold it so it will shave at all, it will shave right.

The Keen Kutter "Safety" gives a true sliding stroke. Goes together in the tenth of a "jiffy" and works equally well, up stroke or down. It's the one razor made that's perfectly adapted to easy shaving.

Comes in a neat case, fully guaranteed, with 12 ready stropped blades.

Silver plated in Genuine Black Leather Case, \$3.50.
Gold plated in Genuine English Pigskin Case, \$5.00.

The best "pocket piece" a man can carry is a Keen Kutter pocketknife
