

eady to play the game of their lives. And they did. Hardly three minutes had passed when Old State had doubled her score of the first half and Allegheny was left ten points in the rear. Perhaps "Andy" Lytle's great performance of shooting goals between the halves had something to do with the spirit, but anyway pretty goals by Reed, Shore, Hermann, Haddow and Blythe came so fast that our opponents were taken back in amazement and their teamwork went to pieces for a time.

The great work in the first part of the second half told the tale, for the Meadville collegians regained their former stride toward the end of the game and held things even. "Dutch" Hermann, after gamely sticking in the struggle after his knee had been badly hurt, finally went to the sidelines with a few minutes yet to play. Then McEntire took his place and performed creditably. Score.—

Interclass Basketball.

The undefeated junior team added another victory to its string by defeating the freshmen last Thursday evening 33 to 23. At no time were the youngsters dangerous to upperclassmen. The teamwork of the junior five was the feature.

With a new line up, the sophomore team again went down to defeat at the hands of the 1910 five. The playing was fast and exciting, the first half ending with the score 13 to 9 in the senior's favor. The senior team was rather lucky in its shooting while the playing of the sophomores was ragged at times. With a little more practice the 1912 team will give a better account of themselves than they have in the past.

"State" Well Represented.

At the joint convention of the State Dairy Union and the Live Stock Association at Philadelphia, Feb. 2, 3, and 4th, "State" was well

represented. Papers were read by Dean Hunt and Professors Cochel, Mairs, Doty, Larson and Gardner. Besides these men there were several former State students in attendance and many of them had some part in the program. Prof. Van Norman, who is secretary of the Dairy Union, was toastmaster at the banquet.

Catholic services will be held in the foyer of the Auditorium at 10 o'clock Sunday morning.
