

COLLEGE NOTES.

Mr. David K. Peet of New York, who has been chosen by the Board of Trustees to assume charge of the Business Office as head bookkeeper, arrived last week. He is a graduate of Hamilton College and played on the Varsity football team. Since graduation he has been employed by the firm of Patterson, Teele and Dennis, expert accountants of New York.

There is on exhibition in the Library a portrait of Dr. George W. Atherton, late President of the college, painted by Antrim and Landsy, of Philadelphia. It will be on exhibition for a few weeks only unless it is purchased for the college.

The baseball game with the University of Rochester as announced last week for April 30 has not been definitely decided. Negotiations are still pending.

The freshman class in a recent meeting voted the surplus of their damage fund for this year towards the building of a swimming pool on the athletic field.

The senior class have appointed a committee to investigate the resources for a suitable memorial to be left the College upon graduation.

The freshman banquet season is on now. The freshmen at Bucknell got away recently to Williamsport without any trouble. Chances are good here just now for a lively scrap, when 1913 goes.

The members of the faculty will give an informal reception at the Engineering club room on Saturday evening to Colonel Carr and Dr Ivenaga, after the lecture by the latter.

The faculty of the Department of Physics has issued invitations to inspect the Laboratory of Electrical Measurements in the Physics Building on Saturday afternoon, February 12th, from three to five o'clock.

The Reach Ball

The marvelous pitching records made by present-day slab artists are due in great part to the Reach Base Ball. It is only with a ball as perfect as the Reach that consistent control of intricate curves is possible. The Reach Ball is the only authorized ball of the Great American League, and was the official ball of the World's Series. It is the ball used by the big college teams in championship games—none but the best is good enough, and Reach Base Balls are conceded best by all.

The Reach Trade Mark

guarantees satisfaction and perfect goods.
The Reach Official Base Ball Guide contains complete information in one book. Ready about March 15th. 10c. at dealers' or by mail.
