health became so bad that it was decided to come home. They got as far as London but could not risk the long ocean voyage. They are there at present. It is gratifying to know that her health seems to be improving somewhat, according to the latest reports.

The extension work in engineering is growing rapidly. About 85 men are being instructed in Williamsport, and at Altoona the P. R. is building a school in the shops for the use of the instructors and their classes.

Dr. Platts of the First Presbyterian church and "Jim" Potter of Bellefonte will address the Y. M. C. A. in the Auditorium at 6:30 Sunday evening.

Dr. Sparks will have placed in the Library in the very near future a copy of the Hon. Clark E. Carr's book concerning his reminiscences on the dedication of the Gettysburg battlefield.

The new catalogue which will come out in April will have a few notable changes in schedules. One of them will be a simplification of the work in English for the Liberal Arts Freshmen. Forensics 1 of the first semester and Forensics 2 of the second semester will be combined with Rhetoric 4 and be called Rhetoric 2 requiring four hours during the second semester.

We will send you, if you wish, the names and addresses of all

"Wear-Ever" Salesmen

Write to them—verify every record printed—take more than 200 to an adding machine—get the average for yourself

\$7.42 Profit a Day

An average made by 2,000 men becomes almost a certainty for the "average" man, does it not?

Then think of what the "WEAR-EVER" proposition means to you.

For a cat-filled two-color magazine showing the home of "WEAR-EVER" Utensils, telling the story of their manufacture giving the names, addresses and records of all Salesmen, write, "Send me Bulletin 20." Address
