

The spring clothes that are already here—ready to be shown—will be a revelation to many in the perfection that has been attained in good clothes making. The models are the handsomest we have ever had the pleasure to show. The fabrics are beautiful. Good tailoring stamped upon every garment, giving a high class appearance seldom found in any clothes. Let us show you what we consider the best clothes made. Tailored according to our own specifications by America's foremost good clothes makers—Hart Schaffner & Marx, Garson Meyer & Company and Pellham
