**Bucknell Agreement Expires Soon.**

Our two year athletic agreement with Bucknell expires next June. In the meantime one basketball and two baseball games will be played with the Lewisburgers. At the time the compact was made it was agreed that one football, two baseball and two basketball contests during each school year should be played between Bucknell and State, and that this arrangement should be self-perpetuating, unless either school made its wishes known to the contrary.

Recently our faculty athletic committee met and came to the conclusion that State would ask to withdraw from the agreement and thus put Orange and Blue on a par with every other opponent State meets on the gridiron, diamond, floor or track. The question of contests with Bucknell hereafter will be left to the managers of the various athletic teams who will arrange games according to State's needs and her schedules. Prof Agee, Chairman of the Athletic Committee, has notified Bucknell that Penn State does not wish to continue the agreement.

Our neighboring college down at Lewisburg has won one of the two basketball games, two of the three baseball contests and has lost both her football encounters to State by large margins since athletic relations were resumed more than two
