years ago. Bucknell has proved a strong opponent on both the basketball floor and the diamond and it is by no means certain that athletic contests with Bucknell will be discontinued, on the contrary. State is merely putting her on the same footing with every other college she meets in athletics' big or small.

A New Physician.

Dr Wilbur Kipe, of Philadelphia, a graduate of Hahneman College, has opened an office in the old bank building.

J. A. Summers '10, is holding fencing classes in the Armory every Monday and Thursday evening and "Jerry" Sullivan '10, gives boxing lessons at the same place every Tuesday and Friday night. A thorough knowledge of both these sports is a good thing for college students and the classes should be well attended.

Prospects are good just at present for a fast varsity baseball team this year. The practice on the Armory floor every Saturday afternoon is bringing the old men into form and is bringing out some good new material from the freshman class. The indoor practice will continue until the first opportunity for outdoor work.

Important.

A little snow,
A little rain,
A sheet of ice—
An awful pain.
A hasty step,
A careless stride,
Bring discontent
And bruised hide.
