

Hold a **KEEN KUTTER** Safety Razor

"Any Old Way"—You Can't Shave Wrong

That's a great point in favor of the Keen Kutter Safety Razor— it isn't necessary to hold it in any *particular* way to get a good shave, if you hold it so it will shave at all, it will shave right

The Keen Kutter "Safety" gives a true sliding stroke. Goes together in the tenth of a "jiffy" and works equally well, up stroke or down. It's the one razor made that's perfectly adapted to easy shaving.

Comes in a neat case, fully guaranteed, with 12 ready stopped blades.

Silver plated in Genuine Black Leather Case, \$3.50.

the final winner was hard to pick at that stage of the game.

Davis scored first from the foul line, then Yeckley made a field goal which was duplicated by Schein. Davis scored from field on a pretty shot and got two more foul goals but these scores were evened up by Goyne's and Whitman's field goals, followed by a foul goal credited to Schein. Such was the summary of scoring in the first twenty minutes of play, which was hard, rough and exciting.

The Juniors soon put the victory on the shelf in the second half when they scored four field goals before '10 got any. Pretty shots by O'Neil, excellent guarding by McKee and Metzger, and good teamwork on both sides featured the second half. At this time the Junior victory looks big, as either the Seniors or Freshmen will have to fight an uphill fight to win the interclass championship after Saturday's game.

"Art Studies in Shakespeare."

Father O'Hanlon delivered the seventh lecture in the free lecture course on Saturday evening in the Auditorium. The subject—"Art Studies in Shakespeare"—was admirably handled, and well illustrated by selections from "Julius Caesar", "Henry VIII", and "The Merchant of Venice." Father O'Hanlon drew well merited applause for his portrayal of several of the characters,—particularly in his "Shylock." The lecturer is gifted

"Wear-Ever" Salesmen Succeeded

BECAUSE Cooking Utensils are a household necessity

BECAUSE WEAR-EVER Aluminum Utensils are light and bright, do not scale or rust, save food and fuel, last a life time

BECAUSE The selling system followed by "WEAR-EVER" salesmen, a system developed through years of experience and study by hundreds of salesmen, places the work on a plane different from that of the ordinary canvasser

BECAUSE "WEAR-EVER" Utensils have given satisfaction. Every utensil sold helps to sell more. What other reason can there be for the enormous yearly increase in sales for the increase from \$6.92 the average 7 hour profit made by about 1100 men in 1908, to \$7.42 the average 7 hour profit made by about twice that number of salesmen in 1909.
